

# Data sheet

Part No.	<b>PASKLEIN</b>
Description	equipotential busbar material: high impact strength, resisting PP, halogen-free
Usage	for indoor use
Standard:	VDE 0618, Teil 1

Art. No.	Item code	Dimensions L x W x H	PU	PU
063805	PASklein	162 x 51 x 42 mm	100 pc	-

## Further technical details

### Details

connections round conductor total	8
connections round conductor 8 mm	
connections round conductor 8-10 mm	1
connections flat conductor 30 mm	1
connections conductor to 25 mm <sup>2</sup> fixed	7
connections conductor to 50 mm <sup>2</sup>	1
Material of contact rail	Brass
Surface of the contact rail	Nickel-plated
